## *PLATELET RICH PLASMA*

[www.NextMDLink.com](http://www.NextMDLink.com)

Next MD Link has built a strong reputation for not just providing exceptional medical products but also for being a comprehensive resource that supports healthcare professionals like you.

Here's how integrating our PRP/PRF Solutions into your practice can be beneficial for you:

### **SIMPLE & EFFICIENT:**

- Consistent, reproducible results every time
- Smallest blood draw with the highest yield of PRP
- Fast processing with single-spin centrifugation

### **SAFETY & EFFICACY:**

- ISO certified, FDA cleared manufacturing
- 510(k) Class II cleared
- Pharmaceutical grade pyrogen-free crystal tubes
- Integrated anticoagulant
- 99% removal of RBCs
- 80% platelet recovery

### **CUSTOMIZABLE SOLUTIONS:**

- 12ml, 22ml & 30ml tube options
- Yielding 6ml - 18ml of PRP
- 1.6x - 8x PRP concentration
- Compatible with most centrifuges

### **ONGOING SUPPORT:**

- Our commitment to your success doesn't end with product delivery as we're here to assist you at every step of the way
- Our team will guide you through the process, ensuring you have the knowledge and confidence to deliver optimal treatment through educational support and hands-on training resources
- Whether you have questions, require additional training, or need assistance with protocol implementation, we are here to help

We are dedicated to offering you a solution for your PRP/PRF needs designed with precision and efficiency while delivering unparalleled patient outcomes.

With our commitment to ongoing support, you can trust that you'll have a reliable partner by your side every step of the way. Let's schedule a meeting or demo at your earliest convenience, so you can see firsthand how our system works.
